

## McLean County Disaster Council

"Promoting cooperation and assistance in disaster operations since 1969."

# Volunteer Opportunity

**Date:** Saturday, September 25th, 2010

**Time:** 8:00am until 1:00pm

**Location:** Central Illinois Regional Airport

The McLean County Disaster Council, in conjunction with the Central Illinois Regional Airport, will be conducting a full-scale emergency exercise. This event allows emergency responders to prepare for disasters under simulated conditions.

Volunteers are needed to fill the role of both aircraft passengers, and family members. Those filling the role of passengers will be working outside and may be made up to replicate injuries.

You must be at least 18 years old to participate. A lunch will be provided to all participants. If you are interested, please contact us, no later than Friday, September 10th, at:
